## ANNOUNCEMENT

### UPDATE IN RELATION TO BRAZIL

**Singapore, June 4, 2020** - Sembcorp Marine Ltd (“SCM” or the “Company”) refers to its announcements dated 3 July 2019, 8 July 2019 and 3 February 2020 in connection with the ongoing investigations related to “Operacao Lava Jato” (Operation Car Wash) in Brazil.

Further to the earlier announcements, the Company wishes to update that it has come to the Company’s attention that the Federal Justice Court of Curitiba accepted the complaint offered by the Federal Public Ministry (“MPF”) in Paraná against Mr Guilherme Esteves de Jesus (“GDJ”) for money laundering and the ex-employee Mr Martin Cheah Kok Choon (“Martin Cheah”) for money laundering and corruption in connection with certain drilling rig construction contracts entered into by subsidiaries of the Company with Sete Brasil in 2012. Martin Cheah is the former President of Estaleiro Jurong Aracruz Ltda (“EJA”), the Company’s Brazilian subsidiary whose employment with the SCM group was terminated in June 2015. Companies connected to GDJ were engaged by the Company’s subsidiaries as consultants, with all such consultancy contracts having been suspended, and remain suspended, by the SCM group indefinitely.

The above charges filed against Martin Cheah and GDJ by the MPF are in their personal capacities and not against EJA.

The Company will continue to monitor developments in Brazil with respect to the above matters, and will make appropriate announcements in the event of any material developments.
