Afternote:

(1) In relation to the comment “Basically there’s no contingency plan”, Sembcorp Marine would like to clarify that this is in relation to the Proposed Combination. The terms of the Proposed Combination do not provide for renegotiation between the parties if the Proposed Combination is not approved at the Sembcorp Marine EGM.

(2) In relation to the comment “I believe we are able to reach about five to 15% of the market share”, please note that actual future performance, outcomes and results may differ materially as a result of a number of risks, uncertainties and assumptions. You should not place undue reliance on forward-looking statements, which are based on current views regarding future events.
